“ *Blacita and I went to school at Highland Elementary, Roswell Junior High, South Junior High, and we graduated from Roswell High with the class of 1959. We were friends all thru school and when she worked at the County I worked at the Sheriffs office. We had a long friendship and I never encountered her that she didn't smile first and then say hello. A very pleasant person and great to get along with. I offer the Sanchez family my heartfelt condolences, and may God Bless Blacita, and her family.*
