“ Dear Judy and family,
I was so shocked to hear about Dr. Nine passing away. He was a wonderful doctor, and certainly helped me a great deal. Although I did not see him for 30 years as some did, I was impressed with his knowledge, his warnings (which I still hear), and his common-sense expertise.
I'll be thinking about you and hope that you know how many of us are out there supporting you. Our hearts go out to you at this sad time.
Best to you,
Ellen Moore

“ We were so saddened to hear about Dr. Nine. He was always so wonderful to us both. He not only acted as our doctor, but occasionally as a 'dad' telling us what to do. It was always a pleasure to visit with him and with Judy. We will miss seeing him, both professionally and personally. Our thoughts and prayers go out to Judy and the rest of his family, staff and friends. Dr. Nine will be missed.
