“ Bobby and I was good friends and graduated from high school together. After I entered the Air Force and was being stationed in California, Bobby volunteered to drive me out in his car. We enjoyed the trip and it was sad when I had to report in to my base and he left for Southern California. My sincere condolences to his Children, Brothers and Sisters.

Clinton Hanna - April 19, 2016 at 07:52 PM

Thank you for sharing. Its nice to hear.
