“ We got to know Pete and Laura when we lived on E. Pine Lodge.
You could count on him at any time if you needed a hand with just
about anything. He loved Laura deeply and her name would always
come up in our conversations together somehow, regardless of the
subject. Sorry for your loss Laura. Chris an Anne Hicks

“ I was fortunate to have Pete as a close friend and got to spend a lot of quality time with him these last two years. You couldn't have a better friend/brother and he made sure you always knew where he stood on things you did right or wrong. He was always amazed that he was so lucky to have his family and friends by his side and he found true Love with Laura which all these made his life complete! We've lost a Great Man and God got a feisty one to help him run heaven!
