“ *I watched my son being born and cherished Brandon. He was a very happy baby and toddler. He was unexpectedly taken out my life at almost 4yo.but got in contact with me when he was 20 by his birth certificate still having my last name. I was very proud he turned out as such a good human being he was despite his very hard road of life he was drug through un willingly. He loved his daughter and gf.pets and truck.we both had a ranger at the same time.I miss him once again but feel I will connect with him just like before. I even named him Brandon Shawn hilley. Still his legal name on his birth certificate.Giving both of us same middle name. My condolences to his family and all who loved this man. I miss him greatly.*
