“ Lisa,

Mom, dont cry, 'cause God is holding my hand and telling me everything is ok.

Mom, God said that i will never want for anything and i will still feel your love all the way up here.

Mom, you should see me, I am running and playing with Gods other children.

Mom, guess who helps watch over us while we play? They are God's helping Angels!

Mom, Im not afraid, my grandpa and grandma's are here. They came to me when it was dark and held my hands; then we went to God's bright light, where Angels were singing. Mom, God said, if you feel sad, to remeber this; I'll be the gentle breeze that brushes your face, the sun is my smile and the rain is me washing away your pain.

Mom, I have to go now. I send you all my love on the wings of an Angel.

Love from your son, to you Mom.

Gone from our sight. But never our memories. Gone from our touch. But never our hearts. May the words of comfort rest gently upon your heart, and in time may they become words of healing. My heart breaks for you and your family, I pray you find peace and comfort.

Danielle,

Death leaves a heartache no one can heal, love leaves a memory no one can steal. My sweet Danielle, you have his daughter Brandalyn to help you heal. I love you and i pray you find peace and comfort.
