“ *Patsy Mahany and I spent some time with Brandon at his Grandma Vickie's house at Ottertail Lake. We would visit our cousin Vickie for a couple weeks while Brandon was staying there with his Grandma. He was a lot of fun and a pleasure to be with. We went fishing and played some games. He was very artistic and did some beautiful wood burning art. I think he was about 10, 11 and 12 years old those summers. I am so sorry.*

“ *Brandon worked for us off and on since 2014. I remember when he first started wearing the gauges (and then later when he stopped), and the full beard, I had commented (as his aunt) that it was quite the look, and he replied, "Gotta be legit" with that sly grin. At the time, I knew little about his music career. I do remember when he was very young and practiced on Guitar Hero/Rock Band, teaching himself to play instruments. He was a very talented drummer. Unfortunately, I only got to see video of he and his band performing. What a tremendous loss for the family, for his friends, his bandmates, his wife and sons, for the community, and for the country. RIP Brando. We will miss you.*

“ I don't have one specific story to share, I have many great memories that started at BMS and continued into high school and adulthood! You have always been one of my best friends. Even if we went months without talking we would always pick up where we left of as if no time had passed! I will miss talking to you and seeing your genuine smile! I know you will be looking over your family! I promise to tell Kane that is dad loved him more than life every time I see him! I'll be talking to you on my drives home and I know you'll be listening! RIP Brandon you will be missed dearly! ❤️
