BRANDON PATTERSON

12/15/1994 – 9/19/2020

Brandon Patterson, 25, was born on December 15, 1994, and taken from us on Saturday, September 19, 2020, in Roswell, New Mexico.

Many family members are left to cherish memories of Brandon. His mother, Christine Pruess; stepfather, Jason Pruess; father, Shannon Patterson; grandfathers: Patrick Steck and Benny Patterson; grandmothers: Peggy Soliz and Gail Fuller; brothers: CJ Fuller, Christian Patterson, and Anthony Patterson; sisters: Laiken Fuller and Meg Fuller; aunts: Stacy Aguilar, Krystal Madrid, and Angela Matozo; along with many extended aunts and uncles; as well as his best Friends: Desiree Sosa and Dominic Sosa.

Brandon is preceded in death by his grandmother, Frances Steck; and grandfather, Ron Fuller. He will be missed beyond measure by everyone who loved him.

His infectious smile lit up in every room he ever stepped foot in. Brandon's golden heart and passionate nature drew people to him, as the stars are drawn to heaven. His passion was music, followed by the study of science, the universe, and how we are all connected to it. When Brandon LOVED, he loved unconditionally. Brandon was taken from us far too soon. No one will ever fill his RED shoes.

We love you Brandon, and will continue to honor you and your memory for the

remainder of our days. As Brandon would say B.A.S!!!

There will be a Viewing at Anderson Bethany Funeral Home on Saturday, September 26, 2020, from 9:00 AM to 2:00 PM, followed by a Memorial Service at 2:00 PM, with an appreciation statement to a few special individuals.

The Eulogy will be read by Dominic Sosa, Desiree Sosa, and Jason Pruess. After the end of the officiant's services, the closing statements will be made by his mother, Christine Pruess.

A gathering of close family and friends will immediately follow after the services at Brandon's mother's residence.

Please take a moment to share a kind thought or memory with Brandon's family at www.andersonbethany.com.

Brandon's tribute was written in his memory by his family.

“ *Brandon and his family spent a night with us this last summer and I got to know him all over again since his Mom left California. He was a special kid and had so much potential for a hopeful future. His mind was bright and he knew how to think outside the box. I will miss him as will so many others that knew him or could have known him had he lived. Chris, Jason, CJ, and the rest of the family.....I am so very sorry for your loss.*
