“ *Brenda and Family, Brandy worked for me at ENMU-Department of Family and Consumer Science and Agriculture during her college career. She was such a pleasure to work with, she was a blessing to the department. Everyone loved Brandy because she was so loving and giving, she always made us laugh. I still have a beautiful picture that she brought to me in the office so I could put it in my scrap book so we would always remember her. We will miss Brandy and we love her very much and she will be dearly missed. I will pray that God gives you all the strength to go on with your lives because Brandy is in heaven and will always be there by your side. We love you Brandy and will miss you dearly.*

“ Do not stand at my grave and forever weep. I am not there; I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn's rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and forever cry. I am not there. I did not die.
