“ *Brenda was such a genuinely loving individual! She was a hard worker and very caring with the individuals she supported at Tobosa. She was such a go getter and you could count on Brenda to accomplish the impossible (or she tried to anyway)!!!! She loved her family dearly and we spoke about them often when she would share some of their accomplishments and/or their shenanigans! Her grandchildren were her pride and joy! Brenda, I missed you when you left Tobosa but always with the thought that you would be returning! Now you are looking over us and we hope you are at peace! RIP, my friend!!!!*
