“ I will forever remember how unselfish you were my Bridge. I have so many memories of you. From you watching us when we were little and making us the best egg omelette ever. To always being my best counselor when I became a young Mom. You always opened your door to me no matter what time of day it was, when I needed you, you were always there. I'm so totally heartbroken. Thank you for being at my Dad's funeral just back in September and being there for my sister's and I. You and Aunt Hopie made us feel so much love that day. I love you and may you rest high on that mountain we were talking about. RIP my loving cousin. ❤️

“ My heart is broken! You were the most loving and giving person to everyone you knew. Family, friends or just an acquaintance you helped them and gave without reservation! You were always looking out for somebody else besides yourself! You were a wonderful Mom to your Son Stevie as well as an awesome Daughter, Sister, Aunt, Niece and Friend! I will miss you as long as I'm still on my journey here on earth, but I know I will see you again! Fly high my girl and may you rest now in peace with our Awesome God that loves us all! I know you would want Stevie to be watched over and taken care of, you loved him so much. I will miss our Goodnight texts that we shared every night without fail. Until we meet again, I love you and miss you bunches!
