Graveside Services will be held at South Park Cemetery on Thursday, August 23, 2018, 2:00 PM, followed by a Greet and Celebration of Brion's Life at Eastern New Mexico Fairgrounds, 2500 S. Main Street, Roswell, New Mexico. Celebrate Brion's life by visiting www.andersonbethany.com to offer a memory or expression of sympathy for his family.

On August 27, 1981, Brion was born in Roswell, New Mexico, to Lonnie and Brenda Kay Lee, whom survive him and loved him dearly. He was a gifted Plumber and Heavy equipment operator, who worked for his favorite uncle at Delton's plumbing in Roswell, New Mexico.

The Lord took another Angel home to be by his side. If you ever wanted to meet Jesus, all you had to do was hang out with a special boy named Brion. He walked with Jesus every day. As a family we questioned God, we questioned life, we questioned the why's and how comes, and at times, had the "why Brion Lord?," but we sat with Brion, we loved on him, we cried over him, and he introduced us to the essence of what Jesus was, and his daily walk took all of us on a journey that I would have never thought possible. But not one of us can deny the miraculous view of heaven our son gifted to us, and how we became the ones humbled to know that we were not only given the honor, but also the privilege to be the father and mother and family of the

most precious boy who walked with Jesus every day, and because Brion walked knowing he did not have to be perfect, he showed us all how to be authentic.

Brion taught us that we are born to be who we are and each of us walks our own path and he was here to serve one master, and he did it as Brion Charles Lee, and he walked with Jesus, we have no doubt, he sits with Jesus today, in Heaven. He was authentic, clear, and if you knew him, we all know he put a little Jesus on you just as he did all of us. Everyone loved him the most, and everyone liked him the best, and we are now bound by that love, only strengthened by many who will walk with Jesus in our hearts.

Preceding Brion in death were his brother, Zachery; both paternal grandparents: William and Noemi Shelton, and Charlie and Joann Correll.

Surviving to cherish Brion's memory are his three sons: Nathan, Ryan, and Abrian Lee; sisters: DeAnna Omera and husband John, Lydia Kuykendall and husband Brandon, Megan Griffith and husband Ian; and numerous special uncles, aunts, cousins, nieces and nephews.

Brion was loved by many friends and all who knew him. He was given the gift of knowing his Lord and Savior, who he loved dearly and is now sitting at the side of Jesus Christ. Brion only had one wish and that was that everyone accepts Jesus and walk through this world with Him by their side.

Brion's tribute was beautifully written in his honor by his family.
