

Bryant Jermane Thomas

September 26, 1988 - August 8, 2022

Bryant Jermane Thomas passed away on Monday, August 8, 2022, in Roswell, New Mexico, with his family by his side at Eastern New Mexico Medical Center. There will be a visitation on Monday, August 22, 2022, from 9:00 am-11:00 am at Anderson Bethany and a funeral service to follow at 1 pm at Waymaker church. Interment will follow at South Park cemetery.

Bryant was born on September 26, 1988, in Roswell, New Mexico, to Millicent Fletcher and Bluit Thomas. He attended Roswell High School, where he graduated and was a star player on the basketball team. Bryant worked as a car insurance estimator, which he truly enjoyed.

He loved sports in all arenas, both watching and playing, and his true passion was basketball. Bryant was a member of a men's basketball league. That easily made him a sneakerhead, and he always wanted an extensive collection of shoes.

He played video games with Kaylynn and his friends in his free time and spent many hours playing NBA2k and Pokémon.

Bryant was a father to two beautiful daughters, and his favorite way to spend time with them was shooting hoops at the gym or watching movies with a big bowl of popcorn or a home-cooked meal they all made together. He loved to laugh in which he watched many movies throughout his life, especially comedy films that he quoted regularly.

Although Bryant was a quiet man, he would enjoy the simple things in life and was always there to listen. He was one of a kind and touched so many lives. He will not only be deeply missed by his family and friends but also by all who were fortunate enough to have known him.

Those left to eternally treasure and cherish Bryant's memories and legacy are his significant other, Kaylynn Ortiz; children: Keyara Thomas and Jaylah Thomas; brothers: Dominic Thomas and Keyshawn Thomas; sisters: Keauna Thomas and Precious Thomas;

aunts: Diane Boyce, Shirley Williams, Tamela Garcia; uncle, Darnell Boyce; along with many cousins and friends.

Preceding Bryant in death are his mother, Millicent "Millie" Fletcher; grandparents: Irma and Johnny Fletcher; great-grandparents: RT and Jo Boyce; and his cousin, Laura Riddle.

“ *I met Bryant at a church we both attended during our high school years. He was quiet but was always listening and respectful. He loved his siblings and mom very much. I pray for everyone that knew him and got the chance to love and know him. I pray that his light continues to shine through his children and loved ones. I'm sure his mom greeted him with open arms when he reached Heaven. He's a guardian Angel now and will forever be. - Kalani "KK" Allen*

“ *Bryant was always such a loving kid. Many years of playing youth baseball with RYFL and basketball at the Yucca, moving up to high school sports. Bryant had amazing talent. Remembering him as a little kid with my son brings tears that he is gone to soon. When he was living in Houston with Keyara and Jaylah, he was always attentive to their needs. You had a tough life Bryant but you made the best of what our Heavenly Father gave you. A Heart of Gold. May you RIP in the loving arms of Jesus and your beautiful momma, Millie.*

Mrs. Thomas, my son and Bryant grew up together and we didn't even know his father was around. Praise God for always touching the hearts and souls of people. Have a safe trip as you come to Roswell for his funeral.

“ I met Bryant and the girls when we were all living with Mike and Nelly in Houston. We've grown apart over the last 7 years but he was always someone in the house who gave me really sound advice about life when I was still learning it myself. He was always reasonable and never judged me about anything I would come to him with. He was never afraid to call me out when I was slipping either! Watching the girls grow up when they were so young was a beautiful thing because Bryant was honestly the best dad to them and stepped up in every single way possible. My heart is praying heavy for all of you and I'm very grateful I had the pleasure to experience his quiet but BRIGHT light he brought to this world.

“ Rest in paradise Bryant! I know at first we may not have got along cuz Dominic was always hanging out with me and my brother and doing things we shouldn't of been doing and you were just being a good big brother. I got older and I understood that and Dominic does too. You were a good soul a great father, son, and brother. I'm glad we were able to put the past things aside and just be cool. After my sister Victoria died I didn't think I would ever see the girls (K&J) again but whenever I wanted to know how they were doing or anything about them all I had to do was go to oriellys and ask you. Thanks for that and thanks for being a real one in a world so fake! Much love always
