“ To the Crenshaw family: I offer my sincerest condolences on Cal's passing. I pray that God will grant you peace and comfort as you start the grieving process for this man who was so very special. To Cal: Although we knew each other for a relatively short period of time, I consider myself very lucky to have known you. Your loss is, I know, felt by many. You had a special way about you that I know touched all those lucky enough to have spent time around you. I feel privileged to have known you and enjoyed the few visits we had very much, particularly listening to you four brothers telling nonstop jokes. I feel sure that I will see you again one day. Until then, enjoy the rest you so richly deserve for having touched so many peoples' lives in such a positive way. You were, and still are, very special.

“ Some of the best memories of my life was made with Cal. Whether it was work, hunting, fishing or drinking a cold beer, it was always an adventure. God has taken one of his favorite people home.
