“ *Milo, You were such a sweet and caring dear friend. Your friendship has been valuable to me. I'll cherish our memories and will never forget us working and laughing at and outside of work. You introduced me to some awesome bands and authors :) You were an individual thinker, had a unique array of perspectives on life, and your characteristics will never be forgotten. You always looked out for your loved ones and I know you will continue to do so. Know you were truly loved. Rest in Peace. Prayers to your family.*

“ Milo will be greatly missed. He always had my coffee ready when I came in to work in the morning and he always said, "Good morning beautiful". He had such a big heart and would do anything for you if you asked. He left a mark on each of us, though we may not have realized until he was gone. My prayers are with all of you in this very sad time.

“ *Virgie and Ray, I wish there were special words or something to take the pain and emptiness away, but there are none. Faith in God and alot of tears and family and friends and it gets a little easier to handle. Someday you will smile more than cry when you remember times and things about Camilo. GOD BLESS YOU AND YOUR FAMILY.*
