"To my loved ones my time came too soon I grew up tough Rock them streets with my homies becuz they had it rough just a little kid when my dad's life was taken away, I changed forever that day always wondering why he didn't get to stay. Baby Carlos, that was me, but the moment he died, I became a LIL

SLEEPY G. I was raised right from wrong, but I had a choice. This is the path I chose to go to. You fought hard with all your heart and soul. The heartache of losing me, I never wanted you to know, believe me when I say I didn't want to go. At times in your eyes, I did no wrong, and I pushed away moments when I should have been holding on. I'm begging you to please be strong, don't think about the pain with tear-filled eyes, don't sit alone, so no one hears your cries. Go home and remember me together; these disagreements and words unspoken can't go on forever. Let me be the reason that you make it through each day forgive me I never meant to leave this way. I'm omw to the golden gates where my dad waits to welcome me to Heaven; I'll be with u all 24/7. I know you are angry with hatred building up inside. Tell my homies I appreciate the tears they've cried. Big Bad East Side R.I.P Lil sleepy G. In Loving Memory shirts being worn for me, I can't believe this is how things turned out to be. Look at those I took for granted, thinking I was grown. Mom, it was us against the world now I left u all alone. The sleepless nights' grandma u waited up praying I'd go home. You had dreams for me, but this is who I chose to be. Tio, u had so many words that will forever be left unsaid, I should have listened when u told me, "Get it thru ur head." My daughter with u I didn't get enough time Daddy's Lil girl forever u will shine. Baby sister smile like the world belongs to you — Lil brothers forever and always 24/7 by ur side in all that u do. Grampa, I know I said I wasn't afraid to die, but today as I watched u cry, I realized the hardest part would be having to say this goodbye. In your hearts is where I'll always be. Ride or die East Side 2 1 Lil Sleepy G.

“ Cyleste, Gabaldon Family,

*It saddens me to the core to see that Carlos has gone to meet his maker. I can still remember him down the street from your mom's house in his diaper, then babies grow up and you don't know what life's going to throw at them. It's such a pity that it had to be a repeat of his father's death. Hopefully they are together. May your hearts heal fast and know that someday you will be together again. We don't have all the answers but no mother or parent should never lose their children first. God Bless the Gabaldon family. Our truest condolences.*
