“ *I Love you Mom. I never thought I would be writing here. It's hard to believe. Your gone. It seems just like yesterday you called me and said you had cancer. But you will never be forgotten. Rest at peace mother. No more pain. We all love you. Your always gonna be in our hearts. And the kids too. Watch over all of us. Your grand boys are gonna be playing football. Watch over them. As they play there hearts out for you. It's your time to sit back and relax. The fight is over. I'll see you when I get there.*

I know we went through some hard times when we met. I'm glad we made amends and became friends. I'm sorry you had to go through so much pain. Well you're with God now. No more shaking, no more cancer. Save a place for me my friend. Rip Carol
