“ *I am sorry to hear of the passing of my only brothers grandmother. My prayers are with the family. I would also like to add that Carol Hines in also survived by her great grandchild, Adrian. Which as well with my brother, was not added into to the obituary. Adrian was born on September 4th 1998 to Samuel J. Hines and Raelynn Villareal..... He is a wonderful child and if he had ever meet Carol, (or his Grandpa Eric Hines) i'm sure he would of missed her dearly.*

Mandy Hall this is Daniel Hines Sam's uncle Eric's younger brother and carols youngest son. I appreciate all the heart felt writings here. As far as Adrian. I am sorry that you feel this way. When people die things get messed up sometimes. Perhaps you and Adrian's mother could have called us once ...just once or maybe came by the house. I am sure my mother would of welcomed both him you and the rest with loving open armsbut waiting until my mother dies to speak of this is ...well....a little too late .. you all knew where we lived have been there since 1977. Long before you or anyone else concerned was even born....it takes two to make a friend ship work. Remember that....oh yeah FYI I just got through burying my only brother Sam's father....so take it easy on us ok ...

“ My condolences to the Hines Family... I would like to add that she was also preceded in death by her grandson, Eric Hines's son, Samuel J. Hines... It seems everyone has forgotten my only brother. Samuel was born September 5th of 1980 to Eric Hines and Debbie Gutierrez. Samuel Hines was only 20 years old when he passed away on January 21st 2001. I would also like to add that all the money his Grandma Carol raised from the Dept of Health for my brothers funeral gets put to good use, maybe for her surviving dog, since we did not receive it and had no help burying my only brother... God Bless Your Family Lots of prayers, Heather Hall

Heather Hall this is Daniel Hines Sammy's uncle Eric's younger brother and carols youngest son. I am writing this on 09/21/2022. Having just seen this this day. Give me a call if you wish maybe we can talk. I know for a fact that both me and my wife Susan helped financially to pay for sam's final expenses. We did the very best that we could. As far as my mom's dog he beloved pup gidget was entrusted to my care by my mom and lived a happy safe life and passed at a very old age peacefully. In fact she is with my mom now. I often visit Sam's graveside. I miss him dearly and I was the one who had to identify what was left of him. Since no one else was up to the task. Call me sometime it seems we might have some things to discuss. 575-363-9530
