“ *I am a cna at sunset villa who took care of carol during the 2-10 shift. I grew to love this lady like a sister. She was a very caring and considerate woman. I liked to go visit her for the month and a half that she was in the hospital. My heart goes out to you. Carol was loved by every staff member and by her roommate Cleo Pickering of nine years. Cleo really misses carol a lot but knows that she is in heaven. the angels in heaven were always watching over her. Carol, I love and miss you. Sandra stoddard*
