“ Carol, you lit up my life for the time I knew you at Mission Arch Nursing Home. I loved visiting with you while I was there to see my husband. I know God has you now, and you are in heaven with him. You will never feel any more pain, suffering, worry or doubt. My prayers and condolences go out to your family and friends. They knew you a lot longer than I did. I hope they can picture you in heaven like I do. You're up there laughing, singing, dancing, and skipping. I love you, my friend!
