“ *Aunt cat was a loving woman the world will not be the same with her not in it. She did so love her rock hunting. I spend many hours out with her looking for rocks. She saw the beauty in the most ugliest of them. My prayers are with you all.*

“ *Your in my prayers always no matter what. sorry to hear that your mom had gone to be with our Lord and Savoir Jesus Christ. I will be missing her smiles and her laugh. She was a Beautiful woman, yes she had some strange ways of talking and doing things but none the less, she was a great woman. Tell Bobbie that to keep the faith and dont give up. Tell him that she will be watching him and will always be with him in spirit now. give the kids a hug for me. tell Gracie that Jen is doing good and she sends her love. Carmen Wilson*
