“ *I will miss the "little" lady, but I believe that she is in a better place now and there is no more pain and suffering. Thank God! Now it's time for you, Jimmy, to get on with living. I know it seems impossible right now, but keep your chin up and please call or come by anytime you just feel the need to talk or just visit. Tom and I would love to see you.*

*My favorite memory.... to run into ya'll in Podunk, Missouri, at the truck stop a few years back. What a coincidence!! I remember how everyone in the store froze when Katie yelled "Hey lady" and I yelled back at her. I guess they thought a couple of rough and tough trucker mamas were fixin to go after it!! ha ha*

“ *Andy and Family our thoughts and prayers are with you in your time of loss. Your mom was a great person. She could always make me laugh. I will always remember the good times we had talking at the ball park.*

*After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. I Thessalonians 4:17*
