

Charles "Charlie" Daniels Sr.

January 16, 1940 - January 7, 2022

Charles "Charlie" Daniels Sr., 81, joined our Lord and Savior Jesus Christ January 7, 2022.

Born in Roswell, NM to George and Margaree Daniels, who from a young age taught the love of the Lord to Charlie. Their faith and dedication to the Church shaped Charlie into a dedicated servant of the Lord that would be the driving force of his life.

Charlie was a dedicated public servant with a deep commitment to serve and protect his community. As a Fire Fighter, Police Officer, Special Agent for the State of New Mexico and finally a Firearms Instructor with Homeland Security, Charlie was a faithful and fierce protector all his life.

Of all the titles Charlie held, his favorite titles were that of Husband, Father, Grandfather, Great-grandfather, Cousin, and Uncle. There was no father greater than Charlie, he loved his children with an unwavering dedication.

Each of his children were his pride and joy, he was so proud of them and their accomplishments. When speaking of his children, his hopes were that they know Jesus Christ, for them to be healthy and to find soulmates to have a blessed life with. When his children married, Charlie deeply loved his son and daughter in-laws as his own flesh and blood. His grandchildren and great-grandchildren were his buddies, and his legacy will live on through them.

As an only child, Charlie was honored and thankful for the loving relationships he had with his cousins. The sibling like bond he shared with all of them was a lifelong joy. Everyone Charlie knew was a brother or sister of his in Christ and

he held each one of them dearly in his heart.

To know Charlie was to be loved by Charlie. He leaves behind Tami, his devoted wife of 31 years, his loving children Tryna & Jeff, Kim & John, Chuck & Riki, Robert & Erica, Amanda & Mike. Several grandchildren, great-grandchildren, his sister-in-law, Holly, nieces, nephews, cousins and church family.

A graveside service will be held Friday January 14, 2022 11 a.m. at the South Park Cemetery with a reception to follow at 12:30 hosted by the Country Club Road Church of Christ. The family asks that in lieu of flowers, donations be made to the Country Club Road Church of Christ in Charlie's name.

“ Tammy and Family:

When someone such as "Charlie" passes through your life you think of the years of friendship and how it has thought you about what a friend and brother really mean. I was blessed to know Charlie for over thirty years. I can tell you that a finer gentleman and buddy can't be found. When you needed a companion to help with a problem, Charlie was there, when you wanted to share an outing like golf, Charlie was there. When you attended Bible Study and had a question, Charlie was there. When one of your family members became ill, Charlie was there.

I had the pleasure of working with Charlie on several cases and quickly realized that compared to many many investigators that I worked with both in New Mexico, New Jersey, New York, Pennsylvania, Arizona and Texas, Charlie was, as Jackie Gleason would say, Charlie you re the greatest. He investigated each and every case as if it was personal and had no bounds. I remember on one investigation, Charlie taught the suspect, later defendant, how to pray. Charlie would get "confessions" when other investigators were still reading the file and wondering what to do first. Charlie was proponent of Polygraph, my business was always recommended by Charlie when Polygraphs were needed and my business always thanked Charlie for that.

I want to thank you Tammy for taking great care of my buddy, all those years and say that no one could have cared for Charlie the way you have. God Bless you for that.

Meantime, I understand that cowboys never say good bye but instead they say, See you down the road. So until then I will remember great times and great memories of Charlie.

JS

Jerry and I want to express our deepest condolences to Tami and the family and echo the sentiments expressed above. A finer gentleman and Christian could not be found. He was a very humble man who was willing to help in any and every way possible and who could utter the most wonderful and heartfelt prayers.

We will miss you, Charlie Daniels, and look forward to seeing you again one day.
