

Charles Harvey Davidson

April 14, 1938 - January 27, 2025

It is with a mix of sadness and reflection that we announce the passing of Charles “Chile” Davidson, 86, of Roswell, NM. His larger-than-life personality and indelible spirit will remain in the hearts of those who knew him.

He was born to parents Charles & Elsie Davidson on April 14, 1938, in Truth of Consequences, NM. He was a man of many talents and passions. He proudly served in the Navy, where he developed a deep sense of camaraderie and service that would carry through the rest of his life. Following military service, he became an active member of the Lions Club and the Elks Lodge, dedicating countless hours to community service. His enthusiasm for helping others matched only by his love for laughter, and he had a unique gift for bringing joy to every gathering.

Known for his quick wit and infectious humor, he had a knack for making friends wherever he went. His charisma lit up rooms, and his stories-often embellished with a healthy dose of comedy-will be missed by all who had the privilege of hearing them. We will always cherish the memories of his laughter and the lessons he imparted. He taught us to take life a little less seriously and to find joy in the everyday moments.

He married Glenna in 1966, who survives him. Charles is also survived by his son Trevor Davidson and wife Lori, daughter Kyra Garton and husband John,

and son Charles "Chuck" Davidson, as well as a number of grandchildren and great-grandchildren. Charles was predeceased by parents, Charles & Elsie Davidson, sister Fran Blackmer, and brother Richard Davidson.

Memorial services will be held on April 4, 2025, at 10:00am, at the McBride Veterans Cemetery in Roswell NM.

I just learned that Charles had passed away. No one knew Chili by his first name Charles. I was fortunate to have know Chili since the early 1950's. He was a great friend. There isn't Bingo Player in haves County that didn't know Chili. I had the privilage of working with Chili when we had the FOP Bingo. If someone needed help he was always ready to offer his help. He was great working with wood. One day he gave my wife Jean a Owl that he made for her to put in the yard. She NO. It has had a placle in our living room for the owl. There are so many things that I could say about him, but those that knew him know him as a good friend. Chili I will miss you. YOU WERE A GREAT FRIEND and I will miss you. We will meet again and we can talk about the times we had when we were 10 or 11 years old. Thank you.
