“ *To the family with love...*

*Charles is like a brother to me and he would do anything he could for you. Charles prayed for my family when we were going through physical problems even though he was going through his own problems, thats just the kind of guy he is.*

*I plan on seeing him again someday when we go home to be with the Lord. Although I will miss him I know he is with the Father...We talked about heaven many times. He loves the Lord, his friends, and family.*

*I love and miss him but I will celebrate with him as he walks the streets of gold.*

*Juston Patty and wife Laura*

*We are praying for his loving family...*

*May God bless and help you.*

“ We will miss him together.  
I never saw Chuck that he wasn't wearing a smile from ear to ear. He always looked on the bright side of everything. He was never without words of wisdom for everyone that came to know him. The world will surely be a little sadder without him but he definately left a lifetime of memories that we will keep in our hearts forever.

“ I knew Charles from the hospital, he always had a smile on his face, and was very nice to talk to. I will miss his hellos and waves as he would pass by my office. My prayers go out to his family.
