“ *Sad see you go, but if anyone made time count it was Charles. Such a friendly, caring man. A real mans man, seemingly not afraid of anything. I remember many times shared with him but here's one. I remember we were out fishing and I had snagged my rig on some debris in the shallows, as I was taking off my shoes and socks he just walked out pants shoes and all and Unsnagged it for me. The water was pretty cold too. He made fishing pretty fun as he always had many stories to tell . He could really keep a conversation going, for sure a smart man. I'll see you in the future Charles. Rest easy ....ps send some monsters my way I'm gunna hit up the lake for you this weekend .*

“ Charles was one of the first friends I made when I moved here 13 years ago  
We went fishing together  
Went to Lubbock to doctors and airport  
Went to Albuquerque together  
He loved driving and seeing new places...  
We would go fishing sometimes until three in the morning  
He would share story's of being a kid  
He spoke often of his son Nathan  
If I needed help he was the first one there  
He helped me recover when I was sick as he could always make me laugh.  
He would attend church with me and my family in Portales  
My prayers go out to his family and his best friend Danial  
I will be sad knowing I can't fish or travel with him  
But I'm thankful he was a big part of my life  
You were very loved my sweet friend
