“ *Charlie will be sorely missed by so many. She was a true friend through good times and bad. I don't know how I would have gotten through the loss of my husband and a bad car accident without her support and encouragement. In the course of our careers, we made many memories together, shared laughter and tears. She was the heart of the JOY Center, and a tireless advocate for the seniors of Chaves County. Good-bye and God Bless - you will live on in our hearts.*

“ Charlie was a force of nature when it came to the JOY center. I was the manager of the Adult Day Care from 2003 to 2010. Charlie, Alma, JOY staff, and I worked together to start the program as well as to develop it into a wonderful program for the seniors. I have the greatest respect for Charlie. My condolences to her family.

“ As a board member for the last 20-25 years, I worked with Charlie throughout her career with the Chaves County JOY Centers. She was motivated, tireless, and dedicated to the improvement of the quality of life for senior citizens throughout Chaves County. She left quite a legacy, and she will be missed.
