

Christal Clarice Adams-Urquides

May 8, 1982 - June 6, 2014

Christal Clarice Adams-Urquides, of Roswell, NM, passed away Friday June 6th at her parents' home. She was born in Roswell, NM, on May 8, 1982, to David and Barbara Adams. Christal graduated from Goddard High School in 2001. Later that year on December 17th she married the love of her life, Thomas Urquides. She then went on to receive her license in cosmetology from Olympian University in 2012. Christal grew up spending long summer days with her family at Ft. Sumner, racing her bike down dirt roads with friends, and wallpapering her bedroom walls with N' Sync magazine cut outs. As an adult, Christal devoted her time and energy to a successful career as a stylist here in Roswell. She loved people; therefore, quality time with friends and family was always a priority.

First and foremost, Christal's adult life was devoted to her only son, Logan; she showered him with hugs and love on a daily basis. Christal was described by friends and family as always being the loudest, happiest person in the room. She will be remembered for her laugh, her joy, her beauty. She will be remembered as a bright star who burned out much too quickly, leaving the rest of us to marvel at the light she left behind.

Christal is survived by her son, Logan, his father, Thomas Urquides, parents David and Barbara Adams, brothers Michael, Jason and Shane. Along with these relatives, Christal leaves behind a large extended family who will miss

her greatly

.

Christal will be celebrated at 2:00 PM, Tuesday, June 17, 2014 at Anderson-Bethany Funeral Home Chapel.

“ *Sending my deepest and most sincere sympathy to the whole family!! Christal was a wonderful young lady and I am honored to have had wonderful times with her that I can keep as cherished memories. It is a tragic loss, and I am keeping the family in my thoughts and prayers through this most difficult time.
Much Love,

“ *My deepest sympathies are with your family during this difficult time. I loved Christal very much. We spent alot of time together throughout highschool and our early adult life. We grew apart once I moved to TX, but she will always hold a special place in my heart.*

Christal was my best friend in elementary school...I was away when I heard the news, and my heart was and continues to be heavy. I will always remember her bright smile and amazing personality. We lost touch as people do as we got older, but thanks to social media reconnected. Every birthday I got happy wishes from her. I can't believe this has happened, but know that God has received a bright angel. My prayers to her family in this difficult time, she will not be forgotten, and will always be missed.

Fly with the angles Christal...love you girl.
