“ *To My LOVE, I will miss you more than I can't even imagine. I LOVE, and know that you are no longer in pain. To all the family, friends, and relatives, I want to thank you all for the support, the food, the well wishes, the thoughts and prayers. There was such a tremendous response to Christina's passing, that I have been overwhelmed, and grateful beyond words. But, again, Thanks to all*

“ To all of Christina's Family most especially her husband Bill, her 2 brothers, her sister Lisa, her parents, her 2 daughters and son; My deepest sympathy to all of you on such a wonderful person who in small and different ways touched so many lives especially mine! Christina was very special to me she kept me on the positive all the time reminding me how never to look back on the people who treated me unfairly when we were in school but to look at the positive in me, she was my role model someone I wanted to be but sometimes couldnt because I always let my pride get the best of me. I will always regret that we never kept in touch after high school. I now have to live with the regrets of having only memories of high school with her and having to say goodbye to her today at her funeral was very hard for me! I will forever keep you her family in my prayers and she in my heart and thoughts. "life is too short to wake up with regrets, so love the people who treat you right, forget about the ones who don't, Friends are like balloons, once you let them go, you can't get them back so i'm gonna tie Christina to my heart so i never forget her and all she meant to me" Take care, God bless you all Buffy Armijo
