“ *Every time I saw Tina, I remembered when she was little, she was the cutest best behaved little girl. I would ask her if she remembered the time the 3 kiddos stayed with me for an hour or two, I couldn't get her to say anything or even move from where she sat when she came. The times I saw her at The Do-It Center where she worked, same thing quiet, very efficient. Emma, Jesus, Jaime, all the family, my heart is broken for you. Only our Lord can help us continue on until we see our loved ones again in Heaven! Till then we get Through it, we won't get over the loss, the memories will keep our loved ones close especially through the gift of their children and grandchildren. My prayers are with all of you.*

“ Tina will always be in my heart and memories. I am not able to be there in person but I will give tribute to Tina by listening to all our favorite songs today. We loved music and listened to it in the car singing as loud as we could. She could always hit those high notes. She was so fun to be around. She made me laugh and her laugh was contagious. RIP Tina, You have always been loved. Fly To The Angels- Slaughter (one of our favorite songs)
Love Julie
