Christy was born September 16, 1969, to Frank and Charlotte (Vaughn) Greene in Powell River, BC, Canada. She attended high school in Hillsboro, Oregon where she graduated. After high school, she attended school and became a Medical Assistant. She worked at Oregon Health and Science University, and other medical clinics in the Portland, Oregon area. It was at this time that her daughter, Danielle Greene, was born.

Christy enjoyed work in the medical field and decided to pursue further education to become a nurse. In 1999 she moved to Silver City, NM to attend the Nursing program and WNMU. After a year of school, she began having health issues.

Those left to cherish memories of Christy are her daughter, Danielle Greene, of Roswell; her parents: Frank and Charlotte Greene, of Roswell; her brother, Jason and his wife Mary of Kansas City, MO; her brother, Payton Vaughn Greene; nephews: Oscar, Max, Linus, Charles, Frankie, Becket and Theodore Greene; nieces: Gemma, Magdalene and Charlotte Greene; uncles: Charles Greene, Ronnie O. Vaughn Sr, and Curtis Vaughn; aunts: Hazel Greene, Sherry Garcia, Patty Purcell, Mary Vaughn and Cindy Vaughn; and her many cousins and their families that she loved dearly.

The family of Christy Greene wishes to extend sincere thanks to all her caretakers at Mission Arch Care Center, her home for the past 10 years, Gentiva Hospice staff in these last months of care, and her visiting angels, Ann Johnson, Sue Arnold and Connie Franklin. She truly loved you all.

Remember me in the smallest of things. In the petals on flowers, in butterfly wings.

Think of me in your everyday. When you feel alone, when you sit down to pray.

As the gentle coolness is a part of the breeze.
I am a part of you, as you are a part of me.

So, remember me in the smallest of things. In petals on flowers and in butterfly wings.

but have remained kind and loving.”

“ Oh my Christianna. You loved when I called you that. I was your CNA when you first arrived at Mission Arch. We grew so close. I decorated your ceiling with butterflies 🦋. We had many long talks about everything. The week before you went to heaven it was my last night working at Mission. I went in and told you Christie it's my last night. You had your eyes closed but you reached your arms out and gave me a hug. I'll forever remember and love you Christie!! Until we meet again❤️
Love always your CNA and friend

“ Christy and I were cousins, just a year apart. When Christy and I were around 10 years old, she wrote me a letter asking if I would be her pen pal. Of course I said yes! We wrote many letter to one another, I wish I still had them. Later in years, her family moved to Oregon. Mine followed a few years later. Christy and I along with all of our other Oregon cousins grew very close. But it was Christy and I who spent the most time together. I along with many family members were present when she welcomed her daughter Danielle into the world. Danielle was her biggest accomplishment and joy. Christy had the sweetest spirit, and it only got sweeter in her illness. She ended every conversation with, " I love you, God Bless You". She lovingly referred to me as "Sister". It truly warmed my heart. While I am heartbroken that she is gone, I'm overjoyed in knowing that she is no longer in her broken body. She has joined our family member who have gone before her and is WALKING the streets of heaven with Jesus. Heaven gained an angel. I will keep you in my heart always. I love you Sister....God Bless You!

*I am Cristy's aunt Mary. Her uncle was my husband who passed 7 years ago. The girls with Cristy in the picture above were our daughters. When our family of 4 moved to Oregon is when we learned to love Cristy. She always had a smile on her face. When she moved to New Mexico is when she became ill, yet she remained positive. Illness is always challenging but Cristy was a trooper. We have many family members who have passed. I rejoice that Cristy is with all of them free to run and to enjoy the beauty of heaven. Jesus has set you free. May every day be filled with beauty and love.
