We knew it was time to say goodbye And with that, all we could do was cry All the pain just seemed to cease And the look on your face was filled with peace We told you it was okay to go Be with the one love, you lost long ago Don't worry we'll be together again Just as God wanted, up in Heaven So as you all watch us from above Guide us through life and fill our hearts with love It's not forever, just for a little while I will hold in my heart the memory of that pretty smile Rest in Peace Love Always, Your Niece, Priscilla Anderson

“ My condolence to all of Christines children, just know that your mom is no longer suffering and that she will always be in your heart. She was my cousin and I remember happy times when we were smaller I just wished we could have seen more of each other, but it's never too late cause I know I will see her in heaven.
