“ *Where do i begin. Christopher and i always did call you CHRISTOPHER... U leaving me has been so hard for me to soak in.. My heart is so broken.. U take a piece of my heart n soul with you.. You are forever embedded in my heart. We have had so many memorable times. Always laughing n boy did we do some laughing till our tears came out and you always listening to your music. No matter what you always had me to the fullest... Im glad we have nothing but times with each other... The only thing that seems to help the pain and hurt i have is knowing that you are no longer hurting or in pain anymore.. You can now rest yourself. I know ill see you again one day. So until that day i will carry you and our memories in my heart... I love and miss you so much already.. You will always be my "SWEET CHEEKS"...*
