On the solemn day of Friday, May 17, 2024, we bid a heartfelt farewell to the cherished soul of Christopher “Chris” Allen Duran, who unexpectedly departed at the age of 56. This has left a void in all of our hearts. Please take a moment and share a kind thought or memory with Chris’ family at www.andersonbethany.com.

Christopher Allen Duran, a man of joy, love, and laughter, leaves behind a legacy of warmth and fond memories that will be cherished eternally. In his honor we celebrate a life well lived, heart well loved, and a soul that will forever reside in the hearts of those who knew him

Chris’ love for his family knew no bounds, evident in his joyous gatherings, lively cookouts, and a laughter that filled the air when he was around. Chris had an influential laugh for all those who were around. A connoisseur of music classics. Chris found solace in the simple pleasures of life. His spirit soared on the open road astride his beloved Harley bike, the wind whispering tales of freedom and adventure. He loved attending church services with his sister Jennifer.

In the tapestry of memories we weave, Chris’ vibrant personality shines as a beacon of light. His infectious laughter, warm presence, and genuine affection touched the lives of all who had the privilege of knowing him. As we reflect on

the moments shared and the loved bestowed, we find comfort in the legacy of a man who embraced life with open arms.

Though Chris may have embarked on his next journey, his spirit remains intertwined with ours, a reminder of the enduring bonds of love and kinship. In the echoes of laughter and the whispers of shared stories, we find solace in the memories that will forever illuminate our path.

“ My primo I will miss you with all my heart Chris. It kills me to think of Bobby Ann without you. I've got so many good memories of us when we were youngsters camping at Baca campsite. You were older and you were terrible primo lol and never scared of nothing so you led us around those mountains like nothing. I know primo my NINA LUPE was waiting for you for sure. You were her baby boy and she would have done anything for you. And I mean anything only her and my mom were down like that lol. We've lost so many of you all you had so many waiting for you. You had a special place in my Nay Nays heart too. You way too young primo. Rest nowthough. No more jail missing your mom no more addiction. Jesus gots you like no one else ever could primo.

“ Rest in paradise my brother my lifelong friend ! No more pain ! Thanks for all the years of friendship ! I will never forget our good times growing up on Ballard street going to school together from kindergarten to high school! How we taught each other how to fight and be strong. I will never forget we would fight so much but the one that I will remember in my heart is when your mom Lupe was hitting us with the broom and my mom Lina wetting us with the water hose! That same day we just laughed at dumb we were and went to 7-11 to get candies ! Great times my brother ! Love you forever ! My condolences to all My Duran Family ! 🙏❤️😔
