“ *Chrystina, words can't express how sorry I am that I couldn't do more to help you. I live with the memory every day. But I also live with the memories of your sweet smile and your desire to live a sober life. I love you babygirl. Rest easy.*

“ JESUS WEPT
The shortest verse in the Bible
GOD understands our sorrow our hurt and our pain
I thank you so much for our son
He looks so much like you
He reminds me so much of you
I will cherish the wonderful time we had together
I HAVE NO DOUBT YOU ARE SINGING WITH THE ANGELS AND
YOU ARE SO HAPPY WERE YOU ARE
I will see you again
God has you in heaven
I have you in my HEART

“ My thoughts and prayers go out to the family and especially for your boys. I still cannot believe this happened. I would see you walking down our street all the time and when you would stop and talk to me you were always so happy. I was truly blessed to have known you. May you rest in the loving hands of Jesus. You are loved by many and will be greatly missed.

“ Chrystina you berthed me a son, our son and there isn't enough words in the dictionary to express how thankful I am for that. Thank you for our Dubbs and thank you for the good times we had im sorry for the way things turned out with us and even after that.. I will keep taking care of him like I always have but please watch over him protect him from what i cant see and please help him find some kind of understanding so he can get some peace he isnt taking this well at all and I know he will always have a empty space in his heart but help him gain the peace and mind he needs to continue living his life to the fullest of his potential. He loves you and misses you so much already and I do too! This is goodbye for now until we meet again so spread your wings and fly high into the gates of paradise you will be deeply missed by us all!! 🙏🕊️
