“ *Cindy was such a good person and I will never forget She and Pagie coming to my sons Graduation in May of 2013. She was just as Proud of him as the rest of the family!! Even though our kids are grown and one has a baby of his own now, she remembered them, their names and other tidbits even after they were to old to go in to see Dr. McMahon and Kimberly. Our hearts go out to her family. God takes care of his children as Cindy did all those children she knew.*

“ I met Cindy when she came to work at Covenant Care Pediatrics, but I bonded with her when we shared a room at our retreat in Ruidoso. Her oldest was the same age as mine and they went to the same elementary school. Her son was one year younger than mine. She was only 2 months younger than me. We talked late into the night finding out how alike we were. Since then I've known her for her kind heart and various idiosyncrasies. She loved of yellow cake with chocolate icing, any Dexter Demon sport and especially Demon Blue. She hated cheese, the color green and the smell of popcorn. She loved her Dexter Demons and their blue color so much she would hang blue streamers in the rooms of certain patients from Hagerman. I love how she knew our patients by name and by voice. She let the kids sign the papers just like mommy. She loved holding babies and often fought Page for the newborns to snuggle with. So many different things each day remind me of her. I miss her greatly but know she's walking with Jesus.

“ *I loved Cindy like she was my sister, she was my best friend and I will forever thank God for the times I had with her. I remember the times I would pick up my daughter from hers and Gary's house and I would find her in the tree and Cindy standing in the yard signaling to her to be quiet so I wouldn't see her. My daughter loved to be around her and so did I. She will forever be in my heart! I love you Cindy!!! My prayers for her family*
