“ *My love and condolences to the family. I am thankful to be a part of a family whose faith and hope is in Almighty God. All of us that are a part of this family have a wonderful christian heritage that has been passed on to us from our parents and grand parents. Uncle Leonard and Aunt Clara's faith was their life. How encouraging it was to just be with them. We are left behind, so let's carry the torch that they've passed on to us while we have it, and may we follow their examples and as they did, bring honor and glory to God and His Son, Jesus Christ.*

“ *I am very blessed and thankful to have known Granma T since the age of 13. She taught me so much about God in her life and all that He can bring you through. She taught me how to use my voice for the Lord. When I sing for Him I can not fail.*

“ Clara, I will miss you dearly. I have such fond memories of working with you at the college. You were my best work study student and you were always so eager to help that I named you "My Clara Bird". You always laughed when I called you that, and I will always remember your smile and laughter. Rest in peace "My Clara Bird".
