“ *My First Christmas in Heaven*

I see the countless Christmas trees around the world below With tiny lights, like Heaven's stars, reflecting on the snow The sight is so spectacular, please wipe away the tear For I am spending Christmas with Jesus Christ this year. I hear the many Christmas songs that people hold so dear But the sounds of music can't compare with the Christmas choir up here.

I have no words to tell you, the joy their voices bring, For it is beyond description, to hear the angels sing. I know how much you miss me, I see the pain inside your heart But I am not so far away, we really aren't apart. So be happy for me, dear ones, you know I hold you dear. And be glad I'm spending Christmas with Jesus Christ this year.

I sent you each a special gift, from my heavenly home above. I sent you each a memory of my undying love. After all, love is a gift more precious than pure gold It was always most important in the stories Jesus told. Please love and keep each other, as my Father said to do For I can't count the blessing or love he has for each of you So have a Merry Christmas and wipe away that tear Remember, I am spending Christmas with Jesus Christ this year. “ I met Clovis at Levi Strauss many years ago and found him to be a beautiful person. Whenever I needed some assistance, he was right there. (I'm blind.) He had such a loving spirit surrounding him. He is with Jesus and no longer suffering. You were a wonderful person to know and am honored to have known you. To the family, I am sorry for your loss.

“ My thoughts and prayers are with Clovis's family. He was the sweetest man. When I worked at Scotty's BBQ he came in almost every day. We became great friends. He would always check in on me to make sure I doing ok. During the winter when it would snow he would come and pick me up at home and drive me to work. He always wanted me to be safe. For that I am very thankful. He had a smile everyday and no matter how rough a day it was it was always better when he came around. He made you see the light at the end of the tunnel. May God give you the strenght and comfort you will need to get thru these tough times.
