“ *Good bye Aunt Polly. I love you so much. You were always like a
2nd grandma to me, and you had a big impact on my life. I'll see you
in Heaven. Love, Mendy*

“ *Polly was such a blessing to me and my family. Our daughter,
Peggy loved her (and John) when she was the group home
"grandma" to six girls who lived there. John would bring Benji and
take some of the girls (who were able to get out) for a walk. I have
been visiting with Polly at the nursing home every week for a few
minutes. She and John were members of our church when they
lived here so I feel very blessed to have known them. My sympathy
to the family.*
