Connie was born October 14, 1939, in Roswell, NM, to Leticia and Joe Lujan. Connie who was known to everyone as, "Wela" was the most amazing wife, mom, grandma, great grandma, sister, and friend that you could ask for. She had the biggest heart and loved to show it. Connie's tribute was beautifully written in her honor by her family.

"Our Father"

Our Father who art in Heaven, hallowed be Thy name

Thy Kingdom come

Thy will be done, on earth as it in Heaven

Give us this day our daily bread,

And forgive us our trespasses,

as we forgive those who trespass against us,

And lead us not into temptation

but deliver us from evil.

Amen

“ I didn't know you Connie like many others did, but I did know of you and your great works with many people who looked up to you, I know you were a wonderful woman, and great lady, I know this because you raised strong beautiful women who will carry on all you taught them in life, the love of God carried you on earth to touch and teach others your kind and loving ways, you were strong and gave a good fight, but God saw you tired and knew it was time for you to rest, so that your girls could carry on in the path that you, Raymond and God prepared them for, they will miss you, but I know you will always be with them as you watch over them, now you are set to help prepare them a new home, while you wait for your reunion with them and others, be free, be happy, be joyful, and rest easy, teach them to live in comfort by always reminding them of the love you always gave them and the memories you shared, lessen their tears, for you know there will be many, be the beautiful smile on their faces when they find their selves sad, and keep them close to comfort each other so they never fall from being the tight knit family you raised them to be, my love and prayers are with your family Connie, rest in your new home now, and God Bless you all.

“ My sweet Wela. That special name I gave to you some 46 years ago stuck! Abuela is how it started but it never became part of my call for my wonderful grandmother, instead I made you my own “Wela”. You helped teach me how to be a strong woman, how to persevere, how to forgive, and most importantly how to love unconditionally. You were always one of my greatest cheerleaders and walked with me (sometimes literally) to my next adventure. Secrets, giggles, manicures, hair-do(s), and tears we shared will be carried with me always. Your life joys of nursing school in Albuquerque, nursing job, and your administrative career at Job Corps are admirable and inspiring to others. You touched the lives of many with asking for nothing in return. You are a true angel now, Wela.... dance with grandma Felicita and Grandpa Juan— the joy it brings me to think of their open arms as you arrived home with our Lord and Savior. I love you and will hold you hand again (one of our favorite things to do) in heaven some day.

“ Your ANGELS came from HEAVEN & wrapped you in their wings. HE sent them to you so you could have eternal rest. HE closed your eyes here on EARTH & you took your last breath. ANGELS lifted you to your final resting place. GOD knows you left your loved ones broken hearted but HE also knows all the memories they have of you. HE welcomed you to HEAVEN & whispered to you OPEN YOUR EYES CONNIE BECAUSE THE LIGHT THATS ON YOUR FACE IS YOUR HUSBAND TO TAKE YOU IN HIS ARMS & TELL YOU HE'S BEEN WAITING FOR YOU, SO BOTH OF YOU CAN REST.....Martha Montoya Stewart
