“ I would like to express my deepest sympathies to my friend and brother in Christ Fred, for the loss of his beautiful and lovely wife and our dear friend and sister in Christ. My memories of Connie are priceless and full of fun, laughter, and adventure especially being apart of their lives in the music ministry traveling to various places, churches, and prisons and just going out to Denny's late at night; those are times I'll never forget and hold dear to me. Fred thank you for your love and friendship and some day we will all be together with the Lord for ever and ever.

“ I am going to dearly miss "Sister" Connie. She brought beautiful music of worship and praise that could bring God's anointing. Her joy for God's ministry was very evident. She longed to do more for God's glory. I believe that her life will tell the rest of the story and will be a shiny example to her family and friends to continue the work she pursued. She was a faithful christian who loved her family and desired that they would all come to know Christ as she did. She and her husband were a beautiful couple whose marriage glowed with endearing love for each other. She was truly her husband's half as he was her half. As a couple, they were rich with blessings that few ever find. As she would put it, to God be the glory for what he has done! Today she continues to point towards Christ as the true answer to life even from her death. He that endures to the end shall be saved! May her family find comfort in knowing that her life was rich and fulfilling. May they be comforted by the Holy Spirit, inspired to discover this wonderful pathway she learned to live, because she sought God's mercy and found it! Let's honor her by acknowledging how great her God is, who is all knowing and understanding, who knows the purpose in all things, even when we don't understand. Have faith in God.
God bless you all! Helen :)
