Corrine was a loving, caring and compassionate person and she not only cared about herself and the immediate family but cared about the community.

She worked for the City of Roswell for 25 years before retiring in 2003. She worked as a billing clerk for the City of Roswell Water Billing Department. She then became the office manager for the city of the Roswell Sanitation Department.

She was a member of St. John's Catholic Church. As a catholic she was proud to have been exposed to the Cursillo experience. She became involved with the Roswell Girls Softball Association as a coach and a member of the Board of Directors. She was also member of the League of United Latin American Citizens (LULAC) because she believed in decency, fair treatment, and the advancement of civil rights for all. Off and on, she was involved with the Democratic Party of Chaves County.

She will truly be missed by all who knew her. Words that describe her character include but not limited to witty, amusing, humorous, enjoyable to be around with, and bright.

She loved going to the casinos when the opportunity would present itself.

The family thanks Dr. Martinez and his staff for their care of Corrine. They also thank Gentiva Hospice and their staff for being there and caring for her. They also would like to recognize nurse, Anna, from Enhabit Home Health for being such a caring nurse. The family sincerely appreciate and extend a heartfelt "Thank-You" to Belinda Pacheco and Cheyenne Torres, CNAs from Mission Arch Nursing Home for making Corrine's life as comforting as possible during her stay at Mission Arch. The family also thanks the staff of Anderson Bethany Funeral Home for their professionalism and thoughtfulness. Thank you to all that have reached out to us with their support in more ways than one.

We will not say bye because we sincerely believe that we will meet up with her

again.
