God saw she was getting tired,
And a cure was not to be.
Though he put his arm around her
And whispered, come with me,
With tearful eyes we watched her suffer
And watched her fade away.
Although we loved her dearly,

We couldn't make her stay.
A golden heart stopped beating,
Hard working hands put to rest.
God broke our hearts to prove
to us. He only takes the best.

Dios vio que ella estaba cansada,
Y la cura no ha podido ser.
A pesar de que puso su brazo alrededor de ella
Y susurró: ven conmigo,
Con los ojos llenos de lágrimas vimos sufrir
Y la vio desvanecerse.
A pesar de que la quería mucho,
No pudimos hacer su estancia.

Un corazón de oro dejó de latir,
Manos trabajando duro poner a descansar.
Dios rompió el corazón a probar
para nosotros. Sólo toma lo mejor.
