

Craig Scott Lynn

June 4, 1969 - January 3, 2026

Craig “Scott” Lynn passed away peacefully at home on January 3, 2025, after a courageous battle with lung cancer. Scott was well known throughout the community and spent many years working at the Chaves County Detention Center before later joining Allsup’s and Albertsons. No matter where he worked, he was recognized as a dedicated, hardworking man who never hesitated to help others.

Family was the center of Scott’s world. He was a proud father to his children—Bradley, Madiline, Craig, and Elizabeth—and a loving grandfather to his grandson, Mickey. Scott shared a deep and unwavering love with his wife, Jeanette, whom he often described as his best friend and soulmate. Their bond was a constant source of strength and joy in his life.

Scott is also survived by his mother, Kristine, who remained an important part of every cherished family moment.

Scott will be remembered for his kindness, his work ethic, and the love he poured into those around him. His presence will be deeply missed, and his memory will continue to live on in the hearts of all who knew him.

“ Dear Friend,

I am writing you a "forever in my memory" letter.

I met you at CCDC as you were my corporal and well the odds were stacked against me. Not only was I very new to the staff but was looked upon through foggy glasses. Some didn't think I was cut out for the job, but you gave me a chance and some great advice. You took me under your wing even though they had other agendas to try to get me out. You believed in me and I ended up staying there for 4 years. Until I just couldn't even though I would give anything to go back there if only you would be there too.

When I got another chance to work with you at Albertsons it was just like old times. I was privileged again to have you as one of my managers. You and I knew that I would be a quick learner and would understand your advice and to work we went.

The third time well, was a doozy, your beautiful daughter Maddie and my nuckle head great nephew Christopher made us now related. When you and Jeanette saw us walk in the hospital, was priceless. And when Christopher said, "Hi Tia." Actually was the icing on the cake.

I knew you all for years through good times and unforeseen times.

I pray for you to Rest in Peace and for the family for the Loss of a Amazing Dad and my dear Friend.

So, I hope you read this letter and know that you will be truly missed and never forgotten.

Sincerely,

Karen Montes

Control 44 make it clear. Corporal Lynn is now A Guardian Angel Flying High with another Metal Of Honor. Rest in Peace.

“ Scott was the best dad I could have ever asked for ever since the first day I remember talking to him on the phone to moving down here and finally getting to see him again at the age of 5. He has always been my super hero no matter the time of day, the weather or how he felt he was always there for me when I needed him. We have had the good and the bad but most of all he loved me for me. He didn't care if I was in a bad place of my own he was always making sure I had what I needed working long nights at the prison, to working at Albertsons no matter the hours just so I had what I wanted. He was the best grandpa ever to it may not have been long but oh how Mikey loves his pops. He made everyone laugh just by walking in the room. He had such a great personality very kind to everyone he met. All my friends he treated like they were his with all the love and advice you could ask for. There is so much to say about this man so many crazy stories that I can't wait to share with Mikey once he's older. My dad never wanted us to be sad about his passing. So make a joke cause if you know him you know thats exactly what he would be doing right now. He will forever live on through us all.
