“ Lucy, Cruz, Debbie, Greg, and Corina, my heart is very saddened to hear about the loss of such a wonderful man. Being a part the family for so many years I have fond memories of Cruz. He left lasting footprints in my heart that will last an eternity. May the lord give you all peace that surpasses all understanding during the difficult time. This is never easy for anyone, Cruz is at home with our Heavenly Father, whole again without sickness awaiting our home coming. Would like for each of you to know I think of you often and love all of you very much! Blessings...
