“ *Mrs. Brooks, Chyrl and girls. I am so so sorry to hear about Mr. Brooks passing. I will always remember his jolly laugh and sweet spirit. He was always so kind to me and my family and had a heart of gold. I remember the way his eyes lit up every time he would tell us a story of his past, the cute nickname he had for my daughter (Slam Dunk) and of course nobody will ever come close to his fish jerky! Please accept our deepest symapthy from myself and my family. You are all in our prayers and thoughts during this very difficult time.*

“ *Both Vicky and I are so very sorry that CD has left this world, but he is in very good hands that I am sure of. I have reflected many times the past week and a smile comes to my face with many fond memories. The one that has stuck in my mind goes back 30 years when He and I re-roofed the building at Scrimsher Feeds during Thanksgiving of 1979. He and I were to split the money but instead He gave his portion to help pay for his soon to be Grand daughter. He was a good friend and a good man, I will look forward to seeing him on the otherside someday.*

May God Bless you all during this time and may his healing hands sooth the sorry.

Sincerely and respectfully

Wayne and Vicky Armenta
