

## Cynthia "Cyndi" Oliva Rossi

August 23, 1971 - July 31, 2021

Cynthia "Cyndi" Oliva Rossi was born on August 23, 1971, in Roswell, New Mexico, to Ventura and Angelica Martinez. Cyndi was married to her loving husband, William Keith Rossi, on August 17, 2014, in Las Vegas, Nevada. They resided in Roswell, New Mexico, together for the last eight years, but she has lived here nearly her whole life.

Cyndi graduated from Eastern New Mexico University Roswell with her associates in respiratory therapy. She was a dedicated Respiratory Therapist for over 17 years before following her lifelong dream of becoming a stay-at-home wife. Cyndi was living her best life. She enjoyed reading books, spending time with all of her family and friends, and watching tons of movies in her spare time. Cyndi couldn't wait to see the next big flick. When she wasn't watching adventures on the big screen, she was out creating her own with her husband. She enjoyed volunteering at the Senior Olympics with her daughter, Azalea. Cyndi also enjoyed arts and crafts of different varieties. She encouraged her son, Nathan, to explore his artistic side through a tattoo medium and even allowed him to practice on her. Cyndi was always trying something new and wanted to experience everything at least once.

Cyndi passed away on Saturday, July 31, 2021. She was three weeks shy of her 50th birthday. She will be missed dearly, but now she is reunited with her parents and sister and is no longer in pain. Cyndi was a light in this life. Cyndi was always there when you needed her and always put others before herself. No matter what time or how far, she was there if you called and you needed

help. She wanted nothing more than to see those around her happy. Cyndi was always “the life of the party,” and her memory will be kept alive by those who loved her.

Those left to cherish beautiful memories of Cyndi are her husband, William Keith Rossi; four children: Azalea Martinez-Cadengo, Nathaniel Martinez, Rayleen Rossi, and Travis Rossi. She left behind four sisters and three brothers: Irelia Jaramillo, Arturo Martinez, Magdiel Martinez, Idalia Lynch, Hector Martinez, Ana Colter, Deana Martinez; and twenty-eight nieces and nephews.

She is preceded in death by both of her parents and sister, Elyda.

A Memorial Service will be held at Presbyterian Church, 201 W. Fifth Street, Dexter, NM, on Saturday, August 7, 2021, at 1:00 PM.

Cynthia’s tribute was written in her honor by her family.

Mother’s Poem

You brighten up my life,  
With tender love and care.  
When I reach out,  
You’re always there.

You’re someone I can count on,  
When I need a helping hand.  
You’re warm and loving,  
You always understand.

I’m so thankful to have  
A mom like you.  
There is no other,  
Who could fill your shoes.

I always took for granted,  
That you were here for me,  
And all the things you did,  
But now I see.

You're such a good example,  
Of what a mom should be.  
We always get along so well,  
Even when we disagree.

You're so patient,  
And understanding.  
You don't ask for anything.  
You're outstanding.

You're so quick to give,  
And such a joy to be around.  
You're such a good person,  
You deserve a special crown.

You have a good heart.  
You're honest and true.  
You're the best mother,  
And I really love you!

We'll miss you forever...

“ Although, we didn't see each other as often as we did back when our kids were younger we would occasionally run into each other and it seemed we could always pick up where we left off the time before , we would talk about when our kids were little or say how we needed to get together and just hangout. Cindy had such a great sense of humor always laughing and always joking. She had such a beautiful smile and was such a beautiful person. She will definitely be missed. My condolences to the family. You all will remain in my thoughts and prayers.
