“ Please accept my heartfelt sympathy on the passing of your mother. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. May the peace which comes from the memories of love shared, comfort you now and in the days ahead.

“ Cindy was a very special and kind lady. She took me and my family in and gave us a place to live when we lost our house. She treated my kids like they were her own grandkids. I will always be thankful to have had the opportunity to know her and she will always have a special place in my heart. God bless.

“ I'll miss you dearly Auntie. we sure had some wonderful times, especially this last year. My mother(older sister), Alice Dianne Potter Griffith, preceded Auntie in death in 1989 ,along with her younger brother, James Ervyn Bradshaw years later, whom Aunt Cindy cared for til death. Auntie had a very large extended family.
