“ There are no words to express how much you are missed. My phone doesn't ring as much as it use to and I don't like that. I wish you would have been able to call back that night. Today has been especially hard because it's our birthday. You would have wanted me to celebrate it anyways but I just couldn't without you in this world. You could never have imagined how much you would be missed. I miss you greatly and you will be in my thoughts until I come have a cold one with ya.

“ "A MESSAGE FROM HEAVEN"
Perhaps you aren't ready yet to have to say goodbye... Perhaps you've thought of things you wished you'd said--well so have I. For one thing, I'd have told you not to worry about me... I'm with the Lord in Heaven now-- you knew that's where I'd be. I'm sorry that you're feeling sad, for I'm so happy now... I've asked the Lord to ease the hurt and comfort you somehow. It's hard at the beginning, but I know you'll make it through I hope its helps to know that I'll be waiting for you.
