“ All I can say is why! I just keep seeing Damon make the winning shot at one of the Roswell High games. Damon and my bother Charles went to school at Roswell High in 1998. They were on the same team. But also good friends back then and now. Charles and I are so sadden by this. We send our love to everybody that loved Damon as much as we do. I know the last time I went to Roswell I went next door to Damon's house. He was there they were having a birthday party for one of the kids. They had a pool in the yard and I already know I was going in. Damon picked me up and put into that pool. Damon was a great men. He was fun to be around and always could keep a smile on your face. Damon will be greatly missed by all that had the chance to have him in their life even if only meeting him one time. Damon is one of a kind and nobody will ever forget him.

WE SEND ARE LOVE AND DEEPEST SYMPATHIES TO  
DAMON'S FAMILY AND FRIENDS.
